

We can't solve the refugee crisis but we can each make a difference for at least one refugee family fleeing war.

SANCTUARY AUSTRALIA FOUNDATION CHRISTMAS APPEAL 2015

Most refugees have suffered great trauma - often seeing loved ones brutally tortured and killed. Forced to flee their home, in fear of losing their lives, they are often stuck in refugee camps for years on end without hope...**victims of war.**

Refugees urgently need your assistance - many people are living in such dire and hopeless situations.

With your help we can continue to provide support and sponsorship to re-unite refugee families who have been split apart by war.

OUR FOCUS

Your donation matters, because with your support we can continue this vital work:

- Sponsorship and interest-free travel loans (gradually repaid and used again) for recognised refugees accepted under Australia's 202 Humanitarian Program.
- Sanctuary Refugee Advice and Support Program, helping to reunite families separated by war.
- Resettlement support and help with practical every day needs.

- Direct emergency help for small but vital needs (ie. medicines, food).
- Education grants for children (\$50 each per year) through our joint DR Congo partnership.
